

Curriculum Vitae and Bibliography

Michael S. Flicker, MD

EDUCATION

University of Pennsylvania BA, <i>Magna Cum Laude</i> Major: Biological Basis of Behavior Minor: Spanish Benjamin Franklin Scholar Program Honors Biological Basis of Behavior Program	8/1996 – 6/2000
University of Chicago Pritzker School of Medicine MD	7/2000 – 6/2004
Resident, Internal Medicine Program University of Chicago Medical Center	7/2004 – 6/2005
Resident, Diagnostic Radiology Program University of Iowa Hospitals and Clinics	7/2005 – 6/2006
Resident, Internal Medicine Program University of Chicago Medical Center	7/2006 – 6/2008
Gastroenterology Fellow, Department of Gastroenterology, Hepatology and Endoscopy Brigham and Women's Hospital, Boston, Massachusetts	7/2008 – 6/2011
Instructor of Medicine – Advanced Endoscopy Fellowship Division of Gastroenterology Northwestern Memorial Hospital, Chicago, Illinois	7/2011- 6/2012

ADDITIONAL EDUCATION

Clinical Research Training Program University of Chicago, Department of Health Studies Track I: Essentials of Patient-Oriented Research Course	7/2006 – 11/2006
Program in Clinical Effectiveness Harvard School of Public Health	7/2009 – 8/2009

HONORS/AWARDS

University of Chicago Pritzker School of Medicine- National Institutes of Health Summer Research Award	2001
Resident Teacher of the Year Department of Radiology, University of Iowa Hospitals and Clinics	2006

Trainee Scholarship for the 12 th Annual Methodologies in Healthcare Outcomes in Gastroenterology Workshop Symposium	2006
Poster of Distinction, Digestive Disease Week, Chicago, IL	2011

PROFESSIONAL & COMMUNITY MEMBERSHIPS, SOCIETIES AND SERVICES

American Medical Student Association	2000 – 2004
Fundraising Committee, Co-Chair Pritzker School of Medicine	2000 – 2001
American Gastroenterological Association	2006 – 2012
American Society of Gastrointestinal Endoscopy	2008 – 2012
Harvard Pre-Medical Society (HPS) Mentoring Program Mentor	2010

PRESENTATIONS

Goldstein W, Assenmacher J, Flicker M, Anderson K. "Range of motion after primary total knee arthroplasty in patients with diabetes mellitus". Poster Exhibit, American Academy of Orthopaedic Surgeons Annual Meeting, Anaheim, CA.	1999
Kane S, Flicker M. "Tobacco use is associated with clinical recurrence of Crohn's disease after surgically-induced remission". Student Summer Research Poster Forum, University of Chicago Pritzker School of Medicine.	2001
Kane S, Flicker M. "Tobacco use is associated with clinical recurrence of Crohn's disease after surgically-induced remission". Poster Exhibit, Digestive Disease Week, San Francisco, CA.	2002
Flicker M, Ross A, Dye C, Ferguson M, Posner M, Waxman I. "Dilation of malignant esophageal strictures during staging endosonography: Is it a stretch?" Poster Exhibit, Digestive Disease Week, Washington, D.C.	2007
Flicker M, Tsoukas A, Hazra A, Dachman AH. "Extracolonic findings at CT colonography." Poster Exhibit. 8th International Symposium for Virtual Colonoscopy, Boston, MA.	2007
Naylor K, Laiteerapong N, Keh C, Flicker M, Hebert C, Rizvi K, Cross B, Vinci L, Oyler J, Arora V. "Improving obesity management in the outpatient setting: Lessons learned from the BMI Collaborative". Society of General and Internal Medicine Midwest Regional Meeting.	2007
Naylor K, Laiteerapong N, Keh C, Flicker M, Hebert C, Rizvi K, Cross B, Vinci L, Oyler J, Arora V. "Improving obesity management in the outpatient setting: Lessons learned from the BMI Collaborative". Illinois American College of Physicians Associates Meeting.	2007

- Flicker M, Weber HC. "Endoscopic hemostasis in a case of bleeding from Zenker's diverticulum". Poster Exhibit, American College of Gastroenterology, San Diego, CA. 2009
- Flicker MS, Lautz DB, Dye C, Thompson CC. Endoscopic management of gastro-gastric fistulae after primary Roux-en-Y gastric bypass does not increase complications at revision surgery. Oral Presentation, Digestive Disease Week, New Orleans, LA, 2010.
- Flicker M, Abu Dayyeh B, Pratt JS, Lautz DB, Thompson CC. Gastro-gastric Fistula Formation Following Roux-en-Y Bypass Surgery Leads to Persistence and Recurrence of Diabetes Mellitus. Poster of Distinction, Digestive Disease Week, Chicago, IL. 2011

RESEARCH EXPERIENCE

- Advocate Health Care Summer Research Externship Program, Lutheran General Hospital, Park Ridge, IL. Carol Booth, M.D.; *Implementing a Lekotek toy center for children with special needs in the hospital.* 1997
- Lutheran General Hospital, Department of Orthopedic Surgery, Park Ridge, IL. Wayne M. Goldstein, M.D.; *Effect of diabetes mellitus on post-surgical knee range of motion.* 1998 – 1999
- University of Pennsylvania, Department of Biological Basis of Behavior, Steven J. Fluharty, Ph.D.; *Angiotensin II receptor subtype cellular expression level in a single cell system.* 1998 – 2000
- University of Chicago Medical Center, Department of Gastroenterology, Sunanda V. Kane, M.D. *Tobacco use is associated with clinical recurrence of Crohn's disease after surgically-induced remission.* 2001 – 2002
- University of Chicago Medical Center, Department of Radiology, Abraham H. Dachman, M.D. *Extracolonic findings at CT colonography.* 2004 – 2007
- University of Chicago Medical Center, Department of Gastroenterology, David T. Rubin, M.D. *Virtual dissection as a novel view of virtual colonoscopy: a feasibility study.* 2006
- University of Chicago Medical Center, Department of Gastroenterology, Irving Waxman, M.D. *Evaluation of endoscopic ultrasonography staging in stricturing esophageal carcinoma.* 2006 – 2007
- Brigham and Women's Hospital, Department of Gastroenterology, Christopher C. Thompson, M.D. *Endoscopic management of bariatric surgical complications and investigation of endoscopic primary obesity therapy.* 2008 – 2011
